Sensient® appoints distributor for Italy

MORGES, SWITZERLAND — December 19, 2016— Sensient Imaging Technologies, a division of Sensient Technologies Corporation, is appointing Euroscreen s.r.l. as distributor for Italy.

As a pioneer developer of innovative digital printing solutions, in particular sublimation technology, Sensient is placing the customer experience in the core of its offer. This vision of “Solution Maker” is shared by Euroscreen who is positioning themselves as customer-oriented partner rather than “simple reseller”.

Euroscreen was established in 1980 and became a major actor in the distribution of consumables and technologies for the digital printing market. In addition to the historical site of Sassuolo (Modena), Euroscreen has branches with inventory in Monza (Milano), Modena, Rome and Bari which allow them to cover the full Italian territory.

Euroscreen is assisted by more than 35 sales manager, all with many years of experience in the market.

“We are very happy to welcoming Euroscreen in our network of partners and looking forward to a fruitful collaboration” says Jerome Jeanneret, Managing Director Inks Europe.
